Switcheroo

This is a great time to switch instruments! Why go to Camp?

Band Camp provides an extended and focused opportunity for students to quickly progress on their instruments in a casual atmosphere. In this three week period, they will have more instructional time on their instruments than in an entire year of elementary school lessons! Rising middle school students will find themselves better prepared for the challenges of middle school band and will have the opportunity at the end of camp to re-audition for band placement at Irving and Lake Braddock.

Fees

Registration form and \$140 fee can be mailed to the address on the front or register in person at the Irving Band Car Wash on Saturday, May 15.

Concert

The camp will conclude with a concert on the last day of camp, Friday, July 16, in the Irving gym.

Jazz Band

If you've ever been interested in playing different styles of music like swing, rock, or latin, then the Jazz Band is for you! In this group students will get to explore playing these styles of music and gain some performance experience with Jazz Band before high school. The group is open to more advanced players and includes saxophones, trumpets, trombones, piano, guitar, bass, and drum set. Please indicate on your registration form if you are interested in playing with the Jazz Band.
